

Job Fair

duel on the delaware

DUPONT ROBOTICS
SALEM COMMUNITY COLLEGE NJ

- WHAT:** A mini-job fair held in conjunction with the Duel on the Delaware robotics competition. The purpose of the fair is to create a venue for local companies with open positions (technical and non-technical) to interact with high school students, college students, and experienced candidates to describe their companies, positions, and perhaps make an employment match.
- US FIRST:** For Inspiration and Recognition of Science and Technology **FIRST** is a non-profit organization with a mission to inspire and excite students of all ages to pursue careers in science and technology. **FIRST** sponsors programs for students from elementary school through high school.
- PARTICIPATING COMPANIES:**
- * DuPont - Mechanical Systems Group
 - * DuPont - Field Engineering early career rotational and direct hire programs
 - * DuPont - Student Employment Programs
 - * Boeing
 - * Siemens
 - * PSEG
 - * JC Penney - Price's Corner, Wilmington, Delaware
 - * Booz Allen Hamilton
 - * W.L. Gore
 - * US Army
