To maximize the experience:

1. If an item disappeared from your cart, someone beat you to it, the display here is not acting correctly when this happens. To fix it, press F5 now. If this does not fix it, click on 'view cart' then 'empty my cart', then the link back here, log out, and log back in. If you are still stuck, put in your order with your current items and contact [firstchoice@andymark.com](#) and we will help!
2. Check out the ["How To" Video](#)
3. Be patient while ordering
4. In Stock Now is at time of this web page loading
5. Try not to use the browser's BACK button
6. To Remove Items, click on 'View Cart'
7. Add your AndyMark parts first, then add your FIRST Choice parts
8. You must stay logged in as this team when checking out
9. General questions about FIRST Choice please, [post them on the FIRST forum](#)
10. E-mail [firstchoice@andymark.com](#) for website issues or questions on previously made orders
