Additional Info

Teams should arrive at around 6:30 to check-in and find seating in the gym. Our opening rally will begin at 7pm. After the rally, we will have many different activities throughout the night including a dance with a live DJ, a basketball tournament, dodgeball tournament, and video game tournament. Rules and regulations for competing and forming teams for these tournaments will be given throughout the night. Everyone who is not participating in these activities after the rally or have spare time between activities will have free time in which they may do whatever they wish. Individuals are encouraged to bring their own entertainment such as video games and board games so that they may share the fun with the rest of the attendees. Everyone is responsible for their own equipment and no additional equipment except for power outlets will be provided. Students are also encouraged to bring blankets, pillows, and sleeping bags to make the floor more comfortable to relax on and in case you happen to doze off during the night. Food will be available for purchase throughout the event, however, outside food and drink is allowed; breakfast will be complimentary to all attendees. Lastly, we **HIGHLY** recommend bringing an adult mentor to also enjoy the fun. Security and adult volunteers will be on site at all times. In order to attend, teams must RSVP using the instructions on the first page and each team member attending must sign the waiver and have a parent's signature if they are under the age of 18. An adult will be asked to check-in for each team, but if an adult is not present to represent a team, the team's highest ranked officer attending must check-in for their team. For any additional information, please contact the RSVP e-mail address. Hope to see you all there!
