

Team 254
Team 1868
and

The Robotics Alliance Project INVITES

you and your team to a pre-ship practice weekend!

We'll host a near-regulation size field and competition field elements.

We hope to see as many teams there as possible!

What:

NASA Ames Pre-Ship
Practice Weekend &
Scrimmage

Where:

Building 246, Room 180
NASA Ames Research
Center, Moffett Field,
Mountain View, CA

When:

Saturday, Feb. 15 &
Sunday, Feb. 16
9:30 A.M. - 9.30 P.M.

Signing Up and Requesting a Visitor's Pass:

- Please sign your team up on <http://tinyurl.com/msqav4j> and we will confirm your time slot via e-mail as well as send you further details.
- Anyone over the age of 18 **must** request a visitor pass and **must** be a U.S. citizen.
- You will **NEED** a visitor pass to get to the lab. If you do not request one, you will not be admitted past the NASA gate. Please request badges as part of registering at above link.
- Visitor passes must be requested **NO LATER THAN** 11:59 p.m. on Wednesday, Feb. 12.
- Visit team254.com/lab for a map as well as instructions to the lab.

Safety Procedures:

- Safety glasses must be worn at all times.
- Close toed shoes are required.

NASA Entry Policies:

- Please send less than six student representatives due to space restrictions.
- Two adult mentors must be present with each team at all times.
- Team adults must drive students to the Practice Field.

Suggested Items to Bring:

- Batteries & chargers
- 25' extension cord & power strip
- Computer to program robot
- Safety glasses
- Ethernet cable
- Operator controls (& power supply unit, enable/Disable Switch)

If you have any questions, e-mail 1868@spacecookies.org or scrimmage@team254.com. We hope to see you there!
