

invites you to attend...

The Women's Exchange

2015 *FIRST* Championship

Thursday, April 23rd from 2-4 PM

Room 265, America's Center in St. Louis

Girls from the *FIRST* Robotics Competition (FRC) and *FIRST*Tech Challenge (FTC) programs are invited to participate in a meet and greet with dynamic women leaders from the *FIRST* community to talk candidly about college and career choices as well as opportunities and challenges that await them in technology fields.

If you participated in last year's "Women in Technology" panel discussion, you know that networking opportunities like this are high on the wish list for *FIRST* girls looking to enter STEM fields. Because of the popularity of that event and the continued interest from teams in having one-on-one networking time with successful women working in jobs/fields they envision for themselves, *FIRST* has decided to continue the conversations in a more informal setting.

How to get an invite:

All women involved in FTC or FRC are invited! There will be three *FIRST* teams distributing wristbands for the event. To get one of these wristbands, visit one of the three following teams in the pits:

1. FLL Team #29, Caught in a Brainstorm (located in the America's Center)
2. FTC Team #5972, The Patronum Bots (located in Union Station, Edison Division)
3. FRC Team #3132, The Thunder Down Under (located in the America's Center, Tesla Division)

Details on the Women's Exchange

This is a *FIRST* sanctioned event, and *FIRST* Ladies has been asked to participate! Because this is an informal event, you can drop by any time between 2-4 PM! Even if you can come for 10 minutes, we would love to see you. There will be light refreshments, *FIRST* Ladies buttons, registration forms, and great conversation.

Don't forget!

If you want to make sure you remember, scan this QR code and get a calendar appointment put directly into your smartphone! You can receive a reminder before the event is scheduled to begin.

Questions?

Email ladiesinfirst@gmail.com and we will get back to you!
