Note 1: Teams 48 and 120 also competed at the Queen City Regional as their third Regional. The ranking rules this year use a third or subsequent Regional only as a head-to-head tie-breaker, if needed, and so their results from Queen City are not shown on this chart.

Note 2: The five teams with this note cannot accept their invitations to the Ohio State Championships. They will continue to be shown on this ranking chart and the other teams down to the 29<sup>th</sup> position will receive invites to comprise the 24 team championship.
