#### Quick job description: **Photographer**

The Photographer's job is very simple, take pictures on the day of the event. Take pictures of the students' excitement during an intense match, the crowd of kids doing the chicken dance, the robots during the qualifying rounds and elimination rounds, and the spectators visiting teams in the pit area. We need the photographers to help us capture and remember what Cal Games 2006 is all about.

We will also need the photographers presented during the Award Ceremony, to take pictures of the teams as they come forward for their awards.
