Direction:

From 101 North or South, take the Rengstorff Ave. exit. Go south to Leghorn Street, turn right at Leghorn Street then left on Independence Ave.  
 From Central Expressway or El Camino Real, take Rengstorff Ave. north to Leghorn Street. Turn left at Leghorn Street then left on Independence Ave.

#### Quick job description: Truck Loading

Here is the plan. There is two objectives for this part of setup: 1. Pick up wood boards from Woodside high School after school is over, and 2. Get everything at the WRRF Storage space loaded on the truck. So, that afternoon Alvin Cheng and I will be driving the 24' U-Haul truck to Woodside high school to pick up the wood boards, and plan to arrive at the WRRF Storage Space (See address above) by 4pm. Then we will organize the volunteers into smaller groups and take turn loading 15 rolls of carpets and 20+ boxes of supplies onto the truck. Team 100 and 1120 will be done when we finish loading everything into the truck.

Alvin and I will drive the truck to Pioneer, where Lonny Weissman and his group of kids will help us unload everything.

#### Tools and Supplies needed:

We will be using furniture dollies to move carpets onto the truck via its ramp in the back, and we will be tying down anything that moves on the truck with straps. Everything will be supplied by WRRF.
