

California Robot Games 2006 Hand Book

Event Setup Volunteer Information

Friday 6:30pm - 9:30pm Playing Field Setup

First of all, Thank You very much for volunteering for Cal Games! This event wouldn't have happened without a wonderful group of volunteers. With your help, we are going to put up an awesome event on **Saturday, October 28th!**

Direction to Pioneer High School:

Address:
1290 Blossom Hill Road
San Jose, CA 95118

Direction:

If you are coming from the North, you would come down 85 to Almaden Expy. Turn Left after the exit and right onto Almaden heading toward Blossom Hill Rd. Turn right on Blossom Hill Rd and continue to the third light and make a left into the school go to the parking lot. You can also get there by taking 87 South to 85 North and exit on Almaden Expy, turn left to Blossom Hill and follow the directions above.

Quick job description: **Playing Field Setup (In the Main Gym)**

Setting up the Playing Field is all about coordination. We can have 5 volunteers lining up to do 20 things one at a time, and spend 4 hours doing them, or we can organize our volunteers into 5 group of 5's to do 5 things at a time, and spend an hour doing it. As one of the field setup crew, you will be part of a big crew to help us put up the field borders, drivers stations, ramps, and center goals in an organized and efficient way.

The entire process should take approximately 3 hours in the Main Gym of Pioneer High School. Playing Field setup will be led by **Dave Sheridan of team 776.**

Tools and Supplies needed:

We will be using minimal tools for field setup, plus occasional use of power tools on the field elements. And lots of zip ties and lots of tapes. Everything will be supplied by WRRF.

Which teams are volunteering for this shift?

Work Shift #3
Friday 3rd Quarter
6:30pm - 9:30pm
October 27th, 2006
Pioneer High School
We need
5 teams total
