And a Special Thanks to -

Travis Covington & 968 West Covina HS RAWC

For their heroic efforts in the last minute to help us diagnose
the radio connectivity problem and trained our field crew to
prepare each team for the matches through out the day

And Another Special Thanks to -

481 Contra Costa County HS Contra Costa Robotics The Hitchhikers

For filling in when we needed the most help
during competitions and tear down

And a third Special Thanks to -

Those who came to our planning meetings:

Let's not forget the new friends we made when these folks said
"I am interested in this, tell me how I can help!"

Frank Lin & David Li

Two Stanford students who are looking to get involved with FIRST

Bob Wolff and his daughter Ann

Who are also trying to find out how they can get involved with FIRST

And old friends from across the country
who spent just as much time and energy to make sure
we have an awesome event

Michael Neary & Terry Wells From Southern California

For providing the field controller system
and around the clock support to teach
us about that system

Jon Jack From San Diego & Mike Walker From Florida

For providing us with off-season scoring softwares

Thank You Very Much 2006 California Robot Games Volunteers!!!
