*"Catch Your Mind" is a portrayal of emotional conflict, trust, and betrayal between a teenage boy and his mom. Bruce an excellent student raised in a loving household inadvertently falls into the wrong group of friends as he attempts to find his identity while struggling with the uncertainties of adolescence. He gradually loses interest in academics and falls into a self destructive pattern of underage drinking and other related inappropriate activities. Bruce's mother aligns with his girlfriend Monica to get him back on track through involvement with the NASA supported ROBOTICS team at his local high school, and her efforts have surprising results.*
