

2018 OVER n' OUT

Presented By

OCCRA Over n' Out - A Primer

OCCRA Over n' Out is played on a *Field* which is a twenty-four (24) foot x thirty (30) foot carpeted area, surrounded by a metal pipe *Field Perimeter*. Each *Match* consists of two (2) *Alliances* - one "red" and one "blue" - which are each composed of two (2) *Drive Teams* with one (1) *Robot* each. A *Match* lasts one-hundred and twenty (120) seconds, during which *Drivers* control the *Robots*. There is no autonomous period in OCCRA Over n' Out.

There is a *Low Goal* and a *High Goal* on each end of the *Field*, and a *Fence* divides the *Field* down the middle. One *Robot* from each *Alliance* will play on each side of the *Fence*. There are forty-four (44) *Balls* that can be *Scored* in different ways:

- *Floor Scored* in the *Alliance's Out Area*; worth one (1) *Match Point* per *Ball*
- *Low Goal Scored* when deposited into the *Low Goal*; worth two (2) *Match Points* per *Ball*
- *High Goal Scored* when deposited into the *High Goal*; worth three (3) *Match Points* per *Ball*

OCCRA 2018 Over n' Out - Appendix F

The *Alliance* that has more *Match Points* at the end of the *Match* is declared the winner, and receives a *Win Bonus* of ten (10) *Match Points* added to their *Match* score, or if both *Alliance's* have the same amount of *Match Points*, a *Tie Bonus* of five (5) *Match Points* is added to both *Alliance's* scores. All *Match Points* are scored once the *Match* ends and all objects have come to rest.

The OCCRA Over n' Out season consists of four (4) single-day qualification events, with *Teams* playing randomized *Qualification Matches*. Your teammate in one *Match* may be your opponent in the next! First, second, and third place *Teams* in total *Match Points* at the end of each event will receive an award, and various judged awards are given out as well.

The season culminates in the county championship on Saturday November 17th, 2018. *Teams* will be ranked based on the total amount of *Match Points* they scored over their twelve (12) highest *Match* scores, and based on their ranking will take turns picking an *Alliance* partner during *Alliance Selection* to play in a double elimination bracket with. At the end of the competition, the 2018 OCCRA Over n' Out Champions will be crowned!

The season will end with the 2018 OCCRA banquet, where the champions will be recognized and the 2018 OCCRA Founders Award will be given to the *Team* who best exemplifies the mission of OCCRA.
