

# WE HAVE A JOB FOR YOU

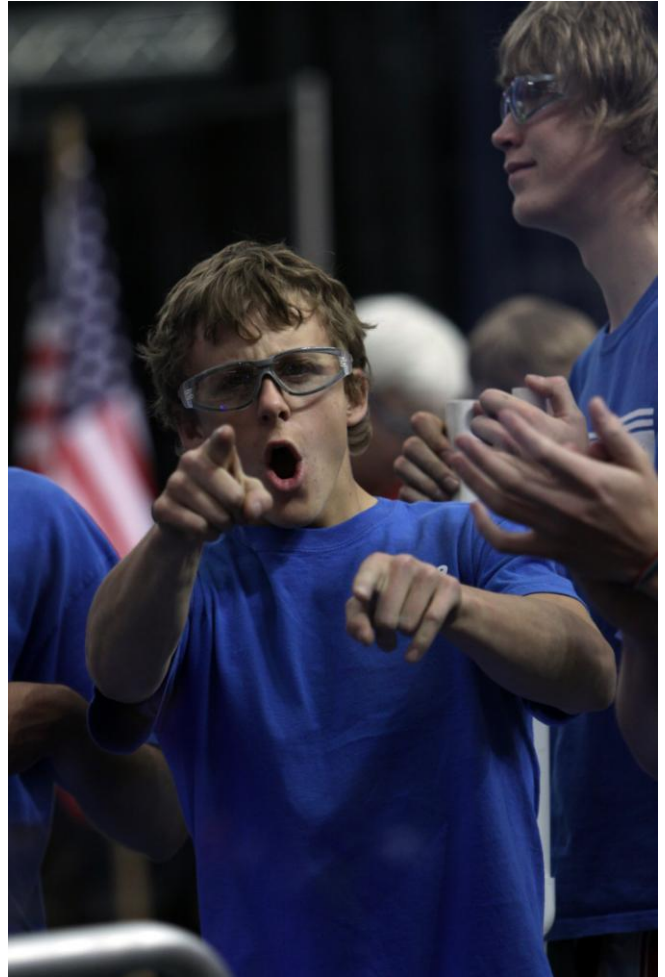

*Not a programmer? Not a problem!*

Bearcat Robotics strives to operate like a real business, which allows students who aren't programming geniuses to join the fun.

Positions on the team include:

- ✿ Web design
- ✿ Fundraising
- ✿ 3D Design
- ✿ Team Spirit
- ✿ ...and many, many more!

Stop by our next meeting below to see how you can become a part of our team.

*We're not just about building robots; we're about building a team.*
