

# \$13,800,000

*The amount of college scholarships being given out in 2011 by FIRST®.*

**We're talking money for schools nationwide, such as:**

- 🐾 Case Western Reserve University**
- 🐾 DeVry University**
- 🐾 Ohio State University**
- 🐾 Carnegie Mellon**
- 🐾 MIT**

**And 40% of the scholarships available are for non-engineering majors!**

**Becoming eligible for the scholarships is as simple as participating on the Bearcat Robotics team. So join one of the most rewarding clubs in school!**

*We're not just about building robots; we're about building careers.*
